OUR CHILDREN: We served over 60 children during the past 3 years. Several children have moved to the secondary education level preparing for technical school or higher education at Nuetros Pequeños Hermanos (NPH), our partner organization in Miacatlan Mexico. We currently serve approximately 40 children ages 6-18. We never could have served our children in need without the help of so many kind & generous people. *We are so “Thankful” for the great support.*

EDUCATION: Education in school and in the community continues to be a top priority for all of our children. We have a teacher at the orphanage for the highest need children. We also have 19 children attending the best school in Matamoros.

SOCCKER, ART & CRAFTS: We offer our children various opportunities for personal development.

HEALTH, NUTRITION & PRIDE: We provide our children well-rounded meals, ongoing medical checks, quality physical activities, and ongoing emphasis on taking pride in yourself and your home.

APPRECIATION: Our children sincerely appreciate the wonderful donations from others such as Lady Di Kesler & her family who donated a van, and the Lansing Michigan Rotarians who donated a washer & dryer.

CELBATIONS: We celebrated a Quinceanera for two of our girls, many birthdays, and the Day of the Kings with John Shinsky as the King, and our two leaders of the orphanage, who are former orphans, Erick Zavala and Julio Gonzalez

THANK YOU FOR MAKING THESE EVENTS POSSIBLE. YOUR KINDNESS & SUPPORT ARE DEEPLY APPRECIATED.
